## The Butterfly Story

There once was a very smart student

In Fact

He said, "I am the smartest student in (Tanzania)"

He said, "I bet I am smarter than the smartest teacher"

So he thought of a plan to show it.

He ran to a nearby field and catches a butterfly

He said, "I will ask the teacher, is this butterfly in my hand, dead or alive?"

If the teacher says the butterfly is alive, I will crush it in my hand

If the teacher says the butterfly is dead, I will let it go and let it fly away.

So either way I will be right and the teacher will be wrong

So the smart student walked up to the very smart teacher and said, "teacher, teacher!"

Is this butterfly in my hand dead or alive?

The teacher said "hmmmmm" Say "hmmmmm"

After some thought the very wise teacher said.....

"The choice is yours, life and death is in your hand"

Everyone hold up your hand and say "the choice is mine"

"the power of life and death is in my hand!"

Today you also have a choice; what are you going to do with Jesus?

He loves you so much, He died on the cross for your and my sins.

But he rose from the dead, He is alive!

He wants to have a friendship with you.

All you need to do is to repent.

What does that mean?

It means that you ask God to forgive you of all your sin,

Turn your back on sin and the things of the world and follow Jesus.

Ask Jesus to come into your heart, to be your very best friend.

The Bible says that Jesus is standing and knocking at the door of your heart.

The door handle is on the inside, so only you can open the door.

Are you ready to open the door of your heart for Jesus right now?

The Bible also says, anyone, you or me, who calls upon the name of Jesus, shall be saved.

Will go to heaven, will be born again. Are you ready to call upon the name of Jesus?

Will go to heaven, will be born again. Are you ready to call upon the name of Jesus?
