House Story

Should I ask you a Question, or do you want to hear a story?

(All shouting, a story)

One day a rich man build himself a big beautiful double story house on a hill, overlooking the valley. The house is complete and he prepared lots of food to celebrate. It is the perfect moment; the sun is setting out in the distance. He is about to sit down to eat when he heard a knock at the front door. He rushed to the door. When he opened the door, there was Jesus Christ.

He said, "Jesus come in, lets sit down and eat, let's celebrate together my new house. This rich man and Jesus ate and talked and laughed together and they became good friends. Later that night the man looked on his watch and said; "o! Jesus it has become so late, why don't you stay for the night in my brand new big house. I will give you my best room upstairs." Jesus agreed to stay the night.

Later that night the man heard a big knock on the front door; He looked on his watch, it was midnight. He walked to the front door and open the door just small, small. Satan pushed the front door open, and this man and satan fight the whole night. Satan tempted him with sin like lying, stealing, and cheating in business deals. When the son was about to rise in the morning, the man pushed and pushed satan out the door.

The man was so tired; then he heard footsteps coming down the stairs. It was Jesus. The man said "Jesus where were you? I fought satan the entire night, but you never came to help me, I thought you are my friend?"

Then Jesus said to the man, "you gave me one room in your house, the rest of the house is still yours." The man said, "Jesus I understand, I have a plan; from tonight I will give you all the rooms upstairs in my house and I take all the rooms downstairs." Jesus is a gentleman, he agrees.

That night there was another big knock at the door. (who's that?) (Satan)The man looked on his watch, it was midnight. Full of fear the man went to the front door, when he looked, satan pushed the door open and they fight the whole night. This time satan tempted him with sin like lust, pornography, sex before marriage and even suicide. By the time the sun rises in the morning, the man pushed and pushed satan out the door.

Now the man is absolutely finished, tired. Then he heard footsteps coming down the stairs. (who is that?) (Jesus)

He said, "Jesus all night I was fighting satan alone, You never came to help me, where were You?"

Jesus said "my friend you must realize upstairs is Mine, but downstairs you kept for yourself."

Aaah, said the man, "I now understand Jesus, I cannot fight satan one more night, enough is enough. Here are the keys to my house; Jesus I give all the rooms in my house to you; I surrender all to you."

That night there was a big knock at the door again. (who's that?) (Satan)

Fear grabs the man's heart, he pulled the blankets over his head. Then he heard footsteps coming down the stairs. (who is that?) (Jesus)

Jesus opens the front door wide, and there is a small, small Satan saying, "I am sorry Jesus, I must be at the wrong house", and he ran off as fast as he could. This can be your life, and only you can choose to change it.
