Airplane Story

One day, a father and his son were walking in the park. The boy turned to his father and asked, "Father how big is God." The father said, "Do you see that airplane flying way up there? How big is that airplane." The boy looked up and said, "Father, that is a very small airplane." The father laughed and said, "Let's go for a drive." They got into the car and drove to the airport where they found that same airplane now parked. The father asked again, "Son, how big is this airplane." The boy's eyes went big with excitement and said, "Father this is a really big airplane."

So, you see my friends, when we are close to God, He is very big and powerful. But, just like how the boy thought the airplane was small because it was so far away. When we have sin in our lives, it can feel like God is far and small. Because sin separates us from God. So, my friends, how do you and I become close to God?

The Bible says we must be born again. To be born again there are 2 choices you must make. Number 1, say, "Number 1" (Let the children repeat).

You must to believe that Jesus is the Son of God, that Jesus died on the cross for you and me, that Jesus was raised from the dead and that He is alive today and wants to come and live in your heart. Jesus wants to be your best friend. How many of you believe that? (All hands go up)

Number two: (everyone says number 2)

The Bible says for us to go to heaven, to be saved by God, to be a born again (Christian) we must repent of our sins. What does that mean?

We need to ask God to forgive us of the things that we did which was wrong, like lying to your teacher, cheating in the exam, stealing, not forgiving your friend your mother, father sister or brother. Do you understand, and do these sins no more.

You know the Bible says "Whoever, that is you or me, calls upon the name of Jesus shall be saved." Will go to heaven, will be a born again Christian, Hallelujah

Are you ready to call upon the name of Jesus?

You know the Bible also says, Jesus is knocking at the door of your heart right now, Jesus wants to come in, Jesus wants to forgive you, Jesus wants to give you a brand new start today, and hope for the future.

Are you ready to open the door of your heart to Jesus?

LET US CLOSE OUR EYES, everyone's eyes closed please.

Now, if you would like to open the door of your heart to Jesus, please raise your hand to Jesus.

(In primary school all hands will go up now, if not go deeper)

If you choose to ask Jesus in your heart today, please raise your hand to Jesus.

If you choose to ask Jesus to forgive you of your sin, please raise your hand to Jesus.

If you choose to be born again, choose a new start today, please raise your hand to Jesus.

Let's keep our hands raised to Jesus as we pray.

Now with every eye closed please repeat this prayer after me/the translator, pray from your heart.

Are you Happy, now we leave a special gift (books or DVD) with your teachers that they will give (or show) to you in class.

Now please find a local Church (where they talk about Jesus all the time) and get water baptized. Let us close and pray.

TEACHER TALK

Thank you for giving us the opportunity to talk to your children about the most important choices in their lives. They are so well disciplined, we are so impressed, God bless you.

Please disciple them very well, they are very dear to God.

From today please look at yourself as you are more than a teacher, you are a discipler for the kingdom of God, Hallelujah

Just let your light shine, just show them Jesus.

The Bible says, as you do that, there is a reward in heaven, Hallelujah.

Here on earth, you receive a small reward at the end of every month, but in heaven there is a big reward waiting for you; the Bible talks about a crown, Hallelujah

The choice is yours

From today look at yourselves like you are the pastor of your class and they are your congregation, Hallelujah.

You have this incredible opportunity as a teacher that most people on earth do not have. To influence thousands and thousands of people in your life with the life and love of Jesus Christ, Hallelujah!

Just let your light shine and together we will celebrate with Jesus in Heaven. Hallelujah!

Any Questions please? (Usually, they don't have questions as they are still amazed)

Now can I ask you a question please? Can you please pray for us, we need God just as much as you do. Pray that God will go with the missionaries, that would be wonderful please, Hallelujah. God bless you we love you. (If you want to, you can pray for the teachers right there.)
